Dear TCC Film Club Members and Prospective Members!

I trust that you all enjoyed the great film we showed in March **DREAM HORSE** - one of our bests!

Be prepared for an equally great film, only released in December last year, at our next **TCC Film Club Night** on **Friday 1st April** when will we be showing

- *An adaptation of the 1957 musical, West Side Story explores forbidden love and the rivalry between the Jets and the Sharks, two teenage street gangs of different ethnic backgrounds.*
- *Manhattan, Upper West Side, 1957. Against the backdrop of the decaying tenements in the San Juan Hill neighbourhood and the constant threat of the wrecking ball, two warring gangs--tough Riff's Jets and swaggering Bernardo's Puerto Rican Sharks--fight for supremacy. Now, with a once-and-for-all, winner-takes-all rumble on the cards, an unexpected whirlwind romance at the high-school dance between former Jet brawler Tony and Bernardo's delicate little sister María sets the stage for an all-out turf war. But what's a gang without its territory? Above all, when the future is uncertain, what's hope without love?*
