

# Are you eligible for Free School Meals?

Did you know being approved for Free School Meals entitles you and your child to so much more than just a free school lunch during term time?

In addition to free meals through Years 3 to 6 and appropriate support with educational needs, it also means you can access other great initiatives such as:

- free childcare in school holidays
  - support for the cost of food in school holidays
  - support with energy and water costs
- ⇒ Free School Meals are easy to apply for and could mean you are entitled to this additional support
- ⇒ If your child is currently receiving universal free school meals due to their age, applying may mean you become eligible for all this additional support, not just free lunches
- ⇒ If your financial circumstances have changed, you should apply to see if you are now eligible
- ⇒ If you have applied before and been turned down but your financial circumstances have now changed, you should re-apply.

Information on how to apply and the eligibility criteria can be found following this link:

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals/2>

Each year the local and national government outline the support they can offer those approved for Free School Meals, these benefits are therefore subject to change.
