

## **A MESSAGE FROM NATIONAL SCHOOLWEAR CENTRES, ALCESTER**

Although we have continued to trade “on-line” during the current crisis, we are now planning to reopen our Alcester shop on 1<sup>st</sup> June & are looking forward to welcoming customers again.

However, our over-riding priority at all times will be **the safety of our staff and customers**.

Our opening hours will be **9:00 – 5:00pm, Mon – Sat.**, but these may be extended later during the “season”.

Many of you will know how restricted for space we are within the shop and in order to comply with “social distancing” safety requirements we will be limiting the number of customers at any one time. This will entail a queueing system (as used by the supermarkets) and once the limit is reached we will operate a one-out, one-in system.

Please shop alone or in a maximum group of 2 where possible, try to maintain safe distance at all times and (particularly children) please do not touch anything that you are unlikely to purchase.

Payments by card whenever possible would be appreciated.

Please be aware that we may not have everything that you are looking for in stock, but we are doing our best to restock as soon as we can and appreciate your understanding.

We anticipate being busy from the first day of reopening right through to the immediate pre Back to School madness (!) so please plan your visit and please be patient !

This seems like a long list of Rules & Regulations, but we have to take this seriously to make the shop as safe as possible. We are looking forward to welcoming customers into the shop again after a very difficult period and wholeheartedly thank you for your support.

**The “NSC Alcester” Team**
