IMPACT OF PUPIL PREMIUM

The school is using the human and material resources provided through the pupil premium to help raise standards for those entitled to benefit through a range of intervention strategies. Attainment and progress will be monitored throughout the year in order that impact may be reported at a later date.

Please note: Your child may be eligible for free school meals throughout their primary education because of your family's income level. Please go directly to <https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals> or call 01926 742543 to apply. Even if you do not wish them to have the meals, this would mean the school could still claim Pupil Premium funding that may be used to help your child. This includes children who are in Key Stage 1 receiving the government's free meal entitlement. Please do register, every penny counts.
