## OUR FOODBANK IS HUNGRY - CAN YOU HELP US?

---

Dear Supporters.

A short sharp plea today - We really need help from our community. You may not be surprised to hear **OUR FOODBANK HAS NEVER BEEN SO HUNGRY!**

Our shelves have never been so empty and the demand for our services continues to rise. At our distribution sessions (four times a week) we are now seeing 30-40 people and unfortunately donations, although at a reasonable level are not keeping up with demand.

We are embarking on a consistent and significant drive for donations by way of food or money. In addition we are looking for links with supermarkets and food manufacturers so if you can help please do get in touch

- [operations@stratforduponavon.foodbank.org.uk](mailto:operations@stratforduponavon.foodbank.org.uk)

Lastly, we really need a bag supplier - bags cost so much money and we really don't want to use our precious funds on this.

**My only message to you all is please donate and spread this message far and wide, through friends, family and the organisations you are in touch with.**

Donations can be made on our website and the list of foods we need is attached below.
