

Home Learning

Homework

The homework book will be sent home on Fridays and should be returned on Tuesdays. Children will be given a Shared Activity each week.

Reading

Group reading will take place on Monday afternoons initially for all pupils. We will then be starting our new phonics programme so our reading days will change, further update to follow.

Spelling Quiz

We will start having our spelling quiz on Friday mornings from October onwards. New spellings will be posted on Seesaw on Fridays.

Mental Maths

Regular practice of reciting numbers and recognising numbers up to 50 will support your child with their maths skills.

Reminders

PE

PE kit will be kept in school until half term. Our PE day will be Thursdays for outdoor PE and Tuesdays every other week indoors.

Water bottles

You child will need a named water bottle in school each day.

School Uniform and Kit

Please ensure everything your child brings to school is clearly labelled with their name.

We would like to thank you in advance for all your support in helping us to deliver these next, important educational steps. Your efforts at home are truly appreciated.

If you would like to discuss anything further this term, please contact me via email: rogers.n1@welearn365.com or via Seesaw.

Mrs Rogers

Year One Autumn 2020

Learning Information

Class teacher:
Mrs Rogers

Class Teaching Assistants:
Mrs Matthews and Mrs Lawrence

English

Our stories all have a bear adventure theme for the first half term as a stimulus for our writing work.

In phonics, we will be starting our new phonics programme Read, Write Inc.

Mathematics

We will focus on securing our number skills up to 20 including addition and subtraction.

We will continue to use play based maths learning alongside using number resources to develop our independent maths skills.

Science

Our focus this term is Animals including ourselves.

We will start by learning about humans, including the senses and names for parts of the human body.

We will also learn about pets including their diet, homes and how we can care for them.

Computing

The children will use the computers in our ICT suite. They will learn how to log on and off with adult support and practice their mouse skills.

We will also learn about keeping safe online as part of e-safety week.

History

We will learn about toys from the past and toys from the present. We will examine old and new toys as a stimulus to our learning.

We will also learn about Bonfire Night and Remembrance Day.

Year 1 - Autumn Term 2020

Autumn 1 Topic Theme

Our Town

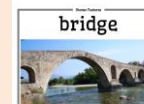

Autumn 2 Topic Theme

Toys

Geography

We will learn about our town Stratford Upon Avon. We will look at the features of both our school location and our local area. We will also learn about human and physical features.

Art and DT

The children will be learning how to create mixed media art work. We will also look at the work of local artist Claire Henley.

In DT, we will create our own model town.

P.E

We will help the children develop their skills in PE. Our focus for this term will be Dance, Ball skills and Ball games.

Music

We will learn songs linked to our topics.

We will also follow the Year 1 programme by Charanga music.

Personal, Social and Emotional Learning

Our topics will be: Taking Care Project, protective behaviours for children. We will also set goals for our learning.

R.E.

We will look at What Christians believe God is like. We will also learn about Why Christmas matters to Christians.
