

Home Learning

Homework

The home learning book will be sent home on Fridays and should be returned on Tuesdays. Children will be given one homework activity each week.

Reading

Please encourage your child to read aloud to you each day. It is also important that you read aloud to your child. Please ensure reading books are in school every day.

Spelling

We recommend all children practise their weekly spellings at home. Spellings will be shared on Seesaw on Fridays and we will have a spelling test on the following Friday.

Mental Maths

Regular practice of number bonds and multiplication facts will support your child's confidence in all mathematical topics.

Reminders

P.E.

P.E. kit needs to be left in school for the half term. Next half term, please provide leggings/tracksuit bottoms for P.E. in colder weather.

Water bottles

Your child will need a named water bottle in school each day.

School Uniform

Please ensure all of your child's uniform is labelled with their name.

We would like to thank you in advance for all your support in helping us to deliver these next, important educational steps. Your efforts at home are truly appreciated and your comments on Seesaw are valued. If you would like to discuss anything further, please contact me via email and if appropriate, we will arrange a virtual meeting.

Year 2

Autumn 2020

Learning Information

Class Teacher:
Miss Griffiths

Class Teaching Assistant:
Mrs Musk

English and Phonics

Our English work will be linked to story books. We will use these books to consolidate all of the skills we learnt in Year 1 and then we will move onto the Year 2 objectives for writing.

Mathematics

Our number work this term will involve us learning about place value of numbers to 100 which will help us to further understand addition and subtraction. We will also cover multiplication and division. In measurement we will learn about money.

Science

Our focus in Science lessons this term is uses of everyday materials. The children will explore, name and discuss everyday materials and learn about their uses.

Computing

In computing lessons we will learn how to use Seesaw independently. We will be adding our own work to our journals and responding to activities set. Keep an eye on our Seesaw to see how we get on!

History

During the first half of this term, the children will learn about the Great Fire of London.

Year 2 - Autumn Term 2020

Autumn 1 Topic Theme
Read all about it!

Autumn 2 Topic Theme
POLES APART

Geography

Next half term we will be focusing on mapping skills and looking at locations around the world.

Art and D.T.

The children will be learning about Tudor portraits, Tudor houses and will create a toy using a mechanism.

P.E.

We will help the children develop their fundamental skills including ball skills.

Music

During a weekly music lesson, children will learn to use their voices expressively and learn more about pitch.

P.S.H.E

Our topics are based around protective behaviours and anti-bullying.

R.E.

The first theme is called 'What is the good news Jesus brings?' This focus is on Bible stories. After half term the theme is 'How and why do we celebrate special times?' with a particular focus on celebrations.
