**AWARENESS DAY 18TH MARCH**

stop-cse.org

**18th March 2021 is STOP CSE Awareness Day,** an important opportunity to talk about child exploitation and how we can protect and support children and young people.

To support the campaign, the Warwickshire school nursing team have put together resources tailored to children and young people with SEND, as these groups may be more vulnerable to being exploited. These materials can be used by schools to facilitate two sessions: one on Body Awareness, and one on Staying Safe Online.

## Support from Warwickshire School Health & Wellbeing Service

Young people age 11-19 can text a school nurse to discuss any concerns about safety and wellbeing via ChatHealth - the number is **07507 331 525.** This service is confidential and free. We encourage young people to save the number in their phones so it's there whenever they need it.

School staff can get in touch for support by calling **03300 245 204** or emailing [schoolhealthwarks@welearn365.com](mailto:schoolhealthwarks@welearn365.com). Find out more on our [website](#).
